RE: Fall 2004 Semester Chapter Grades and Standings

Enclosed you will find the summations for IFC and PHC Fall 2004 chapter grades.

Congratulations to Sigma Phi Epsilon for highest overall grades and above the All-University Men's average and to Alpha Gamma Delta for highest and being above the All-University Women's average.

We would like to see all the Interfraternity and Panhellenic chapters strive to be above the all-University Men and Women averages. With the need for improvement, plans for action between the national headquarters, chapter advisors and presidents need to be implemented early within this semester. Our office will supply printouts of chapter members sorted by majors as soon as possible at the beginning of the Spring 2005 semester. Presidents will be given lists of members who are below 2.25 either for the semester or cumulative. It is very important these lists be shared with chapter academic officers so students can be provided immediate assistance.

The EIU Greek community is strong and continued cooperation of the campus chapter national executive officers, chapter advisors and chapter officers is appreciated. Academics treated seriously will enhance each member to be encouraged to do their best.

When this office can be of assistance, please let us know.

RE: Fall Semester Grade Point Averages Rankings

Enclosed you will find the summaries for the Fall Semester 2003 grade point averages.

2.75 is the all university men's average. This is the first semester in many years that all fraternity chapters are below Delta Tau Delta, Delta Chi and Pi Kappa Alpha. are chapters to be recognized for significant improvement.

The all university women's average is 3.03 with one sorority, Sigma Kappa's 3.03 for their combined membership. Sigma Kappa's 68 initiates earned 3.0870, Alpha Gamma Delta's 68 initiates 3.0708, Alpha Phi's 79 initiates 3.0550. This indicates that the new members' academic programs within each chapter need improvement. Initiates and new members working together to improve study skills instills confidence. Good grades make the chapter look good and is a positive tool for recruitment and retention.

Chapters who are below the all university average of 2.91 need to analyze their programs to include special assistance for the weaker academic members.

Our office will provide chapter presidents a list of their chapter members who are below 2.25 either for the semester or cumulative. Now is the time to approach these students to let them know your chapter has programs to help them improve.

Our office welcomes comments. Please feel free to contact us at any time if we can be of further assistance.

RE: Chapter Academic Statistics – Spring 2001 Semester

DATE: June 6, 2001

Enclosed are statistics of the chapter Spring 2001 Semester grade point averages and standings for fraternity and sorority chapters on Eastern's campus.

University All Women GPA is 3.08. Congratulations to Kappa Delta with 3.1614.. Two fraternities were above the University All Men GPA of 2.78. Congratulations to Sigma Phi Epsilon with 2.9532 and Sigma Chi with 2.7904. The All University Average was 2.91.

Statistics show that our chapters, with solid academic-assistance programs, are attaining and maintaining higher grade point averages for all members. Good programs are needed with special emphasis for our new members. Any programs from the national headquarters would be well received and if we can be of any further service, please don't hesitate to ask.

Will you please make a copy of this to pass along to your Director of Chapter Services.
